## **Purpose**

Danville Area School District recognizes that student wellness and proper nutrition are related to students' physical well-being, growth, development and readiness to learn. The Board is committed to providing a school environment that promotes student wellness, proper nutrition, nutrition education and promotion, and regular physical activity as part of the total learning experience. In a healthy school environment, students will learn about and participate in positive dietary and lifestyle practices that can improve student achievement.

## **Authority**

The Board adopts this policy based on the recommendations of the Wellness Committee and in accordance with federal and state laws and regulations.[\[1\]](#)[\[2\]](#)[\[3\]](#)

To ensure the health and well-being of all students, the Board establishes that the district shall provide to students:

1. A comprehensive nutrition program consistent with federal and state requirements.
2. Access at reasonable cost to foods and beverages that meet established nutrition guidelines.
3. Physical education courses and opportunities for developmentally appropriate physical activity during the school day.
4. Curriculum and programs for grades K-12 that are designed to educate students about proper nutrition and lifelong physical activity, in accordance with State Board of Education curriculum regulations and academic standards.

## **Delegation of Responsibility**

The Superintendent or designee shall be responsible for the implementation and oversight of this policy to ensure each of the district's schools, programs and curriculum is compliant with this policy, related policies and established guidelines or administrative regulations.[\[2\]](#)[\[3\]](#)

Each building principal or designee shall annually report to the Superintendent or designee regarding compliance in his/her school.[\[3\]](#)

Staff members responsible for programs related to school wellness shall report to the Superintendent or designee regarding the status of such programs.

The Superintendent or designee shall annually report to the Board on the district's compliance with law and policies related to school wellness. The report may include:

1. Evaluation of food services program.
2. Review of all foods and beverages sold in schools for compliance with established nutrition guidelines.
3. Recommendations for policy and/or program revisions.

The Superintendent or designee and the established Wellness Committee shall conduct an assessment at least once every three (3) years on the contents and implementation of this policy as part of a continuous improvement process to strengthen the policy and ensure implementation. This triennial

assessment shall be made available to the public in an accessible and easily understood manner and include:[\[2\]](#)[\[3\]](#)

1. The extent to which each district school is in compliance with law and policies related to school wellness.
2. The extent to which this policy compares to model wellness policies.
3. A description of the progress made by the district in attaining the goals of this policy.

At least once every three (3) years, the district shall update or modify this policy as needed, based on the results of the most recent triennial assessment and/or as district and community needs and priorities change.

The district shall annually inform and update the public, including parents/guardians, students, and others in the community, about the contents, updates and implementation of this policy via the district website.

### **Guidelines**

#### Recordkeeping

The district shall retain records documenting compliance with the requirements of the School Wellness policy, which shall include:[\[3\]](#)[\[4\]](#)

1. The written School Wellness policy.
2. Documentation demonstrating that the district has informed the public, on an annual basis, about the contents of the School Wellness policy and any updates to the policy.

#### Wellness Committee

The district shall establish a Wellness Committee comprised of, but not necessarily limited to, at least one (1) of each of the following: School Board member, district administrator, district food service representative, student, parent/guardian, school health professional, physical education teacher and member of the public. It shall be the goal that committee membership will include representatives from each school building and reflect the diversity of the community.[\[2\]](#)

The Wellness Committee shall serve as an advisory committee regarding student health issues and shall be responsible for developing, implementing and periodically reviewing and updating a School Wellness policy that complies with law to recommend to the Board for adoption.

The Wellness Committee shall review and consider strategies and activities in establishing goals for nutrition education and promotion, physical activity and other school based activities that promote student wellness as part of the policy development and revision process.[\[3\]](#)

#### Nutrition Education

Nutrition education will be promoted within the sequential, comprehensive health education program in accordance with curriculum regulations and the academic standards for Health, Safety and Physical Education.[\[6\]](#)[\[7\]](#)[\[8\]](#)

The goal of nutrition education is to teach, model, encourage and support healthy eating by students. Promoting student health and nutrition enhances readiness for learning and increases student achievement.

Nutrition Education lessons and activities shall be age-appropriate.

#### Nutrition Promotion

Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs.

District staff may partner with agencies and community organizations to provide opportunities for appropriate student projects related to nutrition.

Consistent nutrition messages may be displayed throughout the schools and cafeterias.

Consistent nutrition messages may be demonstrated by avoiding use of unhealthy food items in classroom lesson plans and school staff avoiding eating less healthy food items in front of students.

### Physical Activity

District schools shall strive to provide opportunities for developmentally appropriate physical activity during the school-day for all students.

Age-appropriate physical opportunities will be provided to meet the needs and interests of all students, in addition to planned physical education.

Physical activity shall not be used or withheld as a form of punishment.

A physical and social environment that encourages safe and enjoyable activities for all students shall be maintained.

### Physical Education

A sequential physical education program consistent with curriculum regulations and Health, Safety and Physical Education academic standards shall be developed and implemented. All district students may participate in physical education.[7][8][10]

Quality physical education instruction that promotes lifelong physical activity and provides instruction in the skills and knowledge necessary for lifelong participation shall be provided.

Safe and adequate equipment, facilities and resources shall be provided for physical education courses.

Physical education shall be taught by certified health and physical education teachers.

Physical activity shall not be used or withheld solely as a form of punishment.

### Other School Based Activities

Drinking water shall be available and accessible to students, without restriction and at no cost to the student, at all meal periods and throughout the school day.[11][12][13][14]

Nutrition professionals who meet hiring criteria established by the district and in compliance with federal regulations shall administer the school meals program. Professional development and continuing education shall be provided for district nutrition staff, as required by federal regulations.[9][15][16][17]

District schools shall provide adequate space, as defined by the district, for eating and serving school meals.

Students shall be provided a clean and safe meal environment.

Meal periods shall be scheduled at appropriate hours, as required by federal regulations and as defined by the district.

Students shall have access to hand washing or sanitizing before meals and snacks.

Access to the food service operation shall be limited to authorized staff.

Nutrition content of school meals shall be available to students and parents/guardians.

Goals of the School Wellness policy shall be considered in planning all school based activities.

The district shall maintain a healthy school environment, including but not limited to indoor air quality, in accordance with the district's healthy learning environment program and applicable laws and regulations.

#### Nutrition Guidelines for All Foods/Beverages at School

All foods and beverages available in district schools during the school-day shall be offered to students with consideration for promoting student health and reducing obesity.

Foods and beverages provided through the National School Lunch or School Breakfast Programs shall comply with established federal nutrition standards.

#### *Competitive Foods -*

Competitive foods available for sale shall meet or exceed the established federal nutrition standards (USDA Smart Snacks in School). These standards shall apply in all locations and through all services where foods and beverages are sold to students, which may include, but are not limited to: a la carte options in cafeterias, vending machines, school stores, snack carts and fundraisers.[\[3\]](#)[\[18\]](#)[\[19\]](#)

**Competitive foods** are defined as foods and beverages offered or sold to students on school campus during the school-day, which are not part of the reimbursable school breakfast or lunch.

For purposes of this policy, **school campus** means any area of property under the jurisdiction of the school that students may access during the school-day.[\[3\]](#)[\[18\]](#)

For purposes of this policy, **school-day** means the period from midnight before school begins until thirty (30) minutes after the end of the official school-day.[\[3\]](#)[\[18\]](#)

The district may impose additional restrictions on competitive foods, provided that the restrictions are not inconsistent with federal requirements.[\[18\]](#)

The district has prepared recommended procedures for parents/guardians, regarding protocol in all buildings.

#### *Fundraiser exemptions -*

Fundraising activities held during the school-day involving the sale of competitive foods shall be limited to foods that meet the Smart Snacks in School nutrition standards, unless an exemption is approved in accordance with applicable Board policy and administrative regulations.[\[20\]](#)

The district may allow a limited number of exempt fundraisers as permitted by the Pennsylvania Department of Education each school year: up to five (5) exempt fundraisers in elementary and middle school buildings, and up to ten (10) exempt fundraisers in high school buildings. **Exempt fundraisers** are fundraiser in which competitive foods are available for sale to students that do not meet the Smart Snacks in School nutrition standards.[\[18\]](#)

#### *Non-Sold Competitive Foods -*

Non-sold competitive foods available to students, which may include but are not limited to foods and beverages offered as rewards and incentives, at classroom parties and celebrations, or as shared

classroom snacks, shall meet or exceed the standards established by the district.

If the offered competitive foods do not meet or exceed the Smart Snacks in School nutrition standards, the following standards shall apply:

1. Rewards and Incentives:

- a. Foods and beverages used as a reward or incentive should meet the nutrition standards to the extent possible.

2. Classroom Parties and Celebrations:

- a. Classroom parties/celebrations with food/beverages shall be limited to no more than one (1) per month in each classroom.
- b. Parents/Guardians shall be informed through newsletters or other efficient communication methods that foods/beverages should only be brought in when requested for scheduled parties.

The district shall provide a list of suggested nonfood ideas and healthy food and beverage alternatives to parents/guardians and staff, which may be posted via the district webpage, student handbooks, newsletters, posted notices and/or other efficient communication methods.

*Marketing/Contracting -*

Any foods and beverages marketed or promoted to students on the school campus during the school day shall meet or exceed the established federal nutrition standards (USDA Smart Snacks in School) and comply with established Board policy and administrative regulations.[\[3\]](#)[\[18\]](#)

Management of Food Allergies in District Schools

The district shall establish Board policy and administrative regulations to address food allergy management in district schools in order to:[\[22\]](#)

1. Reduce and/or eliminate the likelihood of severe or potentially life-threatening allergic reactions.
2. Ensure a rapid and effective response in case of a severe or potentially life-threatening allergic reaction.
3. Protect the rights of students by providing them, through necessary accommodations when required, the opportunity to participate fully in all school programs and activities.
