

8/1/2022

The new school year is right around the corner, and our team members at Metz Culinary Management are excited to welcome students back! You may have heard that the universal free meals program implemented at the beginning of the COVID pandemic is ending, and the dining program is returning to regular service and pricing.

We are proud of our school lunches, and our culinary team continually adds new menu items that your student can find in their favorite restaurants. Popular selections include noodle bowls, a chicken bruschetta sandwich, homemade mac n' cheese, sesame chicken, pasta bakes, fresh dough pizza, smoothie bowls, and more. We also offer an outstanding breakfast program for students, that is cost-effective for parents/guardians. As the most important meal of the day, our culinary team creates breakfast menus that students are sure to enjoy while fueling their brains for learning.

School meals are a great value, especially with the rising costs of groceries and inflation. Your student will receive a well-balanced meal that meets nutritional guidelines established by the USDA, which offers a serving of fruit and vegetables daily, along with whole grains, lean proteins, and low-fat milk.

Those families who meet eligibility requirements based on income can apply for reduced-price or free meals. To receive an application or to inquire if your student qualifies for a free or reduced-price meal, please contact Laura Renno at lrenno@danvillesd.org.
