

Dear Parents and Guardians,

Danville Area School District is excited to announce that we are now offering the convenience of online registration for athletics through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our athletic programs, and helps us to be more administratively efficient and environmentally responsible. When you create your FamilyID account, the system keeps track of your information in your FamilyID profile. **This program replaces the current paper process for submitting physical forms. You will no longer need to submit hard copies of PIAA clearance paperwork to the Athletic Training room. Instead, you will be required to complete all forms electronically and upload Section 6 which is the section to be completed by your physician.**

TIMELINE FOR FALL ATHLETE REGISTRATION:

- Registration and uploaded physical exam must be completed before the first day of team workouts.
 - If you will be attending the school sponsored physical on July 9th at Danville High School, registration must be completed BEFORE the date of the physical in order to access your child's health history.
- ** Below you will find the step-by-step process families can follow to make sure their athletes are cleared to participate this upcoming winter.*

INFORMATION ABOUT YOUR DOCTOR'S PIAA PHYSICAL SECTION 6 FORM:

- Every athlete will still be required to have a doctor's physical, which needs to take place **AFTER** June 1, 2020. Physicals **dated before June 1, 2020 will not be valid.**
- The doctor performing your physical will need to **fill out, sign and date** Section 6 of the PIAA physical paperwork. You will need to print that form and bring it to the doctor on the date of your physical so that he/she can sign it once the physical is complete. Once complete, dated and signed this is what you will scan and upload to Family ID.
- **Important:** Only the official PIAA Section 6 form will be accepted for registration. Athletes who upload physicals on a different form other than the Section 6 form will not be approved to participate.
